

Sewa Sankalp

Manav Sewa is Madhav Sewa

MESSAGE FROM MR. DAYAL N HARJANI, CHAIRMAN (ERASE POVERTY, HONG KONG)

My trip to Sant Nagari (Bhopal) was very short but indeed the most potent experience of my life to witness the magnanimous & extraordinary accomplishments of Jeev Sewa Sansthan (JSS) attained in duration of over 3-4 decades.

It was indeed awe-inspiring to observe the solidarity and humble approach alloyed with sincere affections working with an attitude of selflessness towards their goals. This central core of servitors who continue to get motivated by their mentor, Rev. Siddh Bhauji is the unquestionable strength & distinction of JSS.

Meeting Rev. Siddh Bhauji with an emotional embrace was an electrifying moment for me. Rev. Siddh Bhauji is truly the personification of humility and serves as the monumental pillar of hope and inspiration for all the volunteers and commends all merits of their achievements to his foremost guru and founder-Paramhans Sant Hirdaramji Sahib.

The management of their projects is very meticulous that hardly leaves any margin of human error or misapplication and therefore meritorious to the Team.

My visit to the slums where our Sindhi brethren and sisters languish in insanitary conditions brought tears to my eyes with an aching aspiration and burning appeal to all the readers to enjoin few of us in a rehabilitation scheme. If we can all come together we could easily rehabilitate such oppressed individuals into a life of joy and dignity of being called a Sindhi.

God Bless and Hari Om.

In Service,

Dayal N. Harjani

Respected Well-wishers,

Pythagoras, who lived more than five hundred years before Christ, and whose genius ushered in the golden age, taught his disciples to live for the day only. He urged them never to worry about anything, especially what was over and done with, could never be undone. One of his most famous sayings was "Leave not the mark of the pot upon the ashes" meaning – wipe out the past, forget it, start the day fresh. It was the only way to achieve the peace of a contented mind.

Our brain is a unique and most complicated organ of the body. Despite all the sayings of the genius and sages, it is very difficult for the brain to forget the past. However, with practice one can accomplish this feat to a large extent. Even then, in the last moments of life, the brain recalls all the deeds and mis-deeds one has done during life

time. We all have observed the faces of the deceased. Some faces look calm and tranquil. Some have signs of deep sorrow and uneasiness. All this is related to one's deeds which brain recalls involuntarily at the time of ultimate departure. Can we not ponder over this? Let us be positive in our thoughts, speech and deeds. Let us always try to do good for others, as per our might. Even small deeds of benevolence matter much. This is the reason that in all the educational institutions being run with the blessings of Paramhans Santji and motivation & guidance of Rev. Siddh Bhauji, pious sanskaras of compassion, love, brotherhood, respect for the elderly etc. are imbibed in the minds of the students. Rev. Siddh Bhauji takes special sessions for this purpose. The objective is very clear. Let these blooming buds turn out to be worthy human beings, let their lives be full of bliss, let them have no regret when they depart from this world i.e. let their faces be tranquil, calm and contented at the time of demise, which is inevitable for all the mortals.

MEGA FREE UROLOGY CAMPS

Organizing free urology camps every year has been our prominent activity initiated by Paramhans Sant Hirdaramji Sahib since 1992 for providing soothing to the needy & less-privileged patients who are not able to afford costly treatment of private hospitals. It is noteworthy that till date, 93 free urology camps have been successfully organized.

It is a unique coincidence that two mega free urology camps were organised in one quarter. In view of the piousness of the mission, number of urologists/doctors from various parts of the country and abroad also, rendered their honorary services.

Dr. Gopal Badlani, renowned urologist of USA, always wished to hold these free camps in an organised manner and, for this purpose; he has set up Dada Atmaram Badlani Urology Diagnostic and Research Centre in the building of Sewa Sadan Eye Hospital. The Operation Theatre, exclusively built for performing urology operations, was also set up and a good number of machines/instruments were provided by him. Besides, Dr. Badlani has been bringing with him various consumable instruments/items being used in such camps. We convey our heart-felt gratitude to Dr. Gopal Badlani for his kind gesture for humanity.

❧ LIFE SAVING GESTURES IN 92ND FREE UROLOGY CAMP ❧

SUCCESSFUL BLADDER SURGERY (70mm STONE) OF MR. HUKUM SINGH

Due to lack of appropriate medical facilities in the village and shortage of funds, Mr. Hukum Singh, a farm laborer, just 29 years old, residing in Tarawali village of Raisen District, 50 kms away from Bhopal, was not able to get surgery done for removing stone in his bladder. Medication was giving him temporary relief. Frequent unbearable pain often used to compel him not to go out of home for earning. Being the sole bread-earner in the family, the economic hardship used to make the family members to live on one time's meal that too with difficulty.

When Hukum Singh came to know about the Free Urology Camp being organized by Jeev Sewa Sansthan at Sewa Sadan Eye Hospital, he immediately rushed and registered his name. During sonography, 70mm stone equal to mid-size potato was found in his bladder which could be extracted only by bladder surgery. The stone was removed successfully in the camp thus wiping off the worries & woes of Hukum Singh forever. The hearts of Hukum Singh & his family members were full of gratitude for the organizers of this urology camp i.e. Jai Shivshakti Health and Educational Foundation, Bengaluru and the doctors who relieved him from the agony of pain forever.

SURGERY OF A CINEMA & DRAMA ARTIST -DEVENDRA ARYA

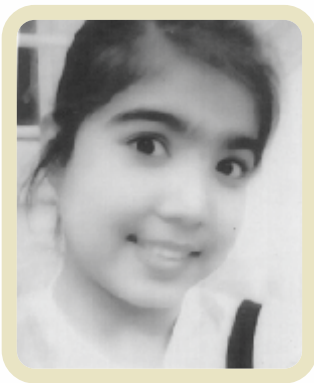

One of the cinema artists, Mr. Devendra Arya (Age: 22 years) from Ashta, a Tehsil about 100 kms away from Bhopal, is playing role of a friend of Lord Krishna in a Hindi TV serial, "Radha Krishna". He has also been playing small roles in short documentaries & dramas. Of late, he had been feeling unbearable pain. Diagnosis revealed multiple stones in his gall bladder. He visited many Super-Specialty Private Hospitals in Mumbai, Ujjain & Bhopal. He hailed from a poor family. At the stage of struggle in TV Serial Industry, he used to send money to his family after meeting out high cost of living of Mumbai. Medical treatment and operation at Mumbai was costly too. Finally, his maternal uncle advised him to register his name in the

free urology camp being organized by Jeev Sewa Sansthan at Sewa Sadan Eye Hospital sponsored by **Jai Shivshakti Health & Educational Foundation, Bengaluru**. Ultimately, his surgery was performed successfully in the camp and he is now leading a normal life. KIDNEY TRANSPLANTATION SURGERY

MS. LAVEENA JASWANI (AGE: 16 YEARS)

With the blessings of Paramhans Sant Hirdaram Sahib and inspirational guidance of Rev. Siddh Bhauji, Jeev Sewa Sansthan(JSS) is 'a hope beyond hope' to those who suffer from dreaded diseases like Cancer, heart malfunctioning, Thalesaemia, kidney failures etc. JSS has

provided financial help to hundreds of poor and economically weak patients to avail treatment and undergo surgeries to save their lives which were otherwise beyond their affordability. JSS is in touch with renowned hospitals of the country for arranging treatment of the poor patients on concessional rates. Besides, financial assistance is provided through our esteemed philanthropists located across the world.

Ms. Laveena Jaswani, student of Std. 9th was suffering from Chronic Kidney Disease at such a young age of 16 years. As a result, both her kidneys have been damaged and she was undergoing dialysis twice a week. The permanent solution, as suggested by the doctors, was kidney transplantation. Her father was the probable donor for the kidney. The only worrisome factor was arranging funds for the transplantation involving huge amount.

Ms. Laveena lives with her parents & her elder sister is student of Std. 10th. Her father is a sole bread winner in the family getting Rs. 10,000/- p.m. With such a meagre salary, it was not possible for him to arrange such a huge amount for kidney transplantation surgery of her daughter.

In such difficult situation, Mr. Bhagwan Jaswani (father of the patient) knocked the door of Jeev Sewa Sansthan seeking financial assistance. Realising the pitiable & critical condition of Ms. Laveena, Jeev Sewa Sansthan immediately appealed to various philanthropists located across the world.

The prayers of parents of Ms. Laveena & efforts of JSS were heard by the Almighty who made the philanthropists like Mr. Harry Wadhvani (USA), Mr. K H Lakhani, Mr. P K Ramani, Mrs. Sudha & Mr. Raju Wadhvani, Mrs. Sheetal &

Mr. Nitin, (all from Hong Kong), and Mr. Delip Dadlani (Mumbai) as His instrumental. As a result, the kidney transplantation surgery of Ms. Laveena was performed successfully in "Bansal Hospital, Bhopal".

Jeev Sewa Sansthan along with "Jaswani Family" expresses gratitude to all the supporters for providing a new life to Ms. Laveena.

Whatever happens in Divine Providence happens for our own good. Nothing happens a moment too early or too late... Therefore, wherever God takes us, let us go, wherever he keeps us, let us remain. BIRTHDAY OF TODAY'S VIVEKANAND- REV. SIDDH BHAUJI (23rd DECEMBER'2018)

Volunteers greeting Rev. Siddh Bhauji and seeking blessings on his birthday (23rd December)

According to Vivekanand, country's future depends on its people, stating that "man-making is my mission." Religion plays a central role in this man-making, stating "to preach unto mankind their divinity, and how to make it manifest in every movement of life." Religion is further defined as 'belief in the Almighty and activities related to that belief'.

Today, Rev. Siddh Bhauji, the staunch disciple and successor of Paramhans Sant Hirdaram Sahibji, is devoting his life towards the same philosophy of Vivekanand i.e. enabling the children to become worthy global citizens. For this purpose, he relentlessly takes sessions of the students in all the educational institutions set up with the blessings of Paramhans Santji and functioning under his inspirational guidance. Also, a lot of activities relating to 'man-making' are continuously undertaken to achieve the objective. These include, doing aarti (form of worship by singing devotional rhymes with lamp, flowers and incense sticks), providing grain and water to birds, respecting parents and teachers by touching their feet, providing grains, fruits, cloths, blankets to the needy in villages, hospitals and elder homes, remaining vegetarian for ever etc. The sessions include relevant subjects relating to human values like 'Mother is my best friend', 'advantages of vegetarianism', 'modern day parenting – challenges and solutions' etc. Patriotic plays performed by the students themselves are arranged. Various dignitaries from Army, Navy and Air-force and social/philanthropic fields are invited to guide the students. Emphasis is given on sports and consuming naturopathic stuffs so that the students remain healthy and fit. Towards health, the students are given dates,

saffron, homeopathic and ayurvedic products to increase their stamina and concentration so that they can give their best in the examinations. Today, more than 10000 students study in all the educational institutions functioning under the guidance of Rev. Siddh Bhauji. Such a large number of students have been receiving benefits of all these sessions/activities.

65th pious birthday of Rev. Siddh Bhauji – today's Vivekanand – was celebrated on 23.12.2018. Early in the morning Sri Sukhmani (Sampat) Path Sahib was performed. All the volunteers gathered there. They performed Yagya and listened/recited the verses of the Path Sahib. When they greeted Rev. Bhauji, he, in his ashirvachanas said, "Time has wings, it flies very fast. One must, therefore, introspect daily, 'whether I am today better than yesterday – be it thoughts, words, behaviour or deeds. Whether these attributes of mine are in the direction of helping or hurting someone. Whether I am utilising my time constructively. Whether I am positive.' Whosoever introspects like this and works on to enhance positivity all around, in fact, he is doing all this for benefit of himself. DEDICATION OF 2ND FLOOR ON ELDER WOMEN'S HOME

Dedication of 2nd floor - R to L - Shri K. L. Ramnani, Shri Ganesh Shenoy, Rev. Siddh Bhauji, Shri Vinod Advani, Shri Mahesh Dayaramani, Shri Hero Gyanchandani and Shri L. C. Janiyani

Rev. Siddh Bhauji speaking on the occasion, in the presence of (L to R) - Mr. K. P. Singh (Chief Manager, PNB, Bairagarh Branch), Mr. Vinod Advani, Mr. Ganesh Shenoy (Representative of JSSHEF, Bangalore)

The 2nd Floor on Elder Women's Home has been constructed in Sant Nagari(Bhopal) with the benign support of Bengaluru based charitable organization, Jai Shivshakti Health & Educational Foundation (JSSHEF). This floor was dedicated in the loving memory of Resp. Mrs. Ganga & Mr. Naraindas Kripalani, parents of Resp. Dada Chellaram N. Kripalani, a renowned philanthropist of Singapore & Chairman of Jai Shivshakti Educational & Health Foundation (JSSHEF). With the addition of this floor, great need of accommodating in-house & guest faculties of the schools & colleges whom we used to call from time to time for delivering lectures on specialized subjects has been fulfilled. Besides, we will be able to

accommodate the team of doctors & other dignitaries who visit Sant Nagari(Bhopal) for rendering their honorary services in various medical camps. In fact, when the Elders Home for Women was constructed, the idea was to accommodate elderly women who have no one to look them after or those who have been deserted by their kith and kin. When this message spread in the township, many were motivated to take care of their elderly relatives in the last days of their lives and, thus, the Elders Home was not fully occupied, thereby fulfilling the objective of inspiring people. As such, at present only 5 elderly women, who have no one to take care at their homes, are residing in the Elders Home. Therefore, the remaining portion and also the additional floor will be utilized for accommodation as stated above.

The floor was dedicated with the pious hands of Rev. Siddh Bhauji, in the gracious presence of Mr. Ganesh Shenoy & Mr. Vinod Advani, office bearers of Jai Shivshakti Health & Educational Foundation (Bengaluru) on 13th March'2018. TRIBUTE TO PUJYA DADA J P VASWANI-A PIOUS SOUL

It was on July 12, 2018 that our Beloved Pujya Dada J.P. Vaswani gave up his earthly form and entered into the Unseen.

Pujya Dada J.P. Vaswani was acclaimed as humanitarian, philosopher, educator, orator and non-sectarian spiritual leader. Pujya Dada Vaswani had captivated the hearts of millions of people worldwide. He was also into promoting vegetarianism and had initiated a global peace initiative "The Moment of Calm". His birthday is also observed as "World Forgiveness Day". With the message of love, forgiveness and humility, Pujya Dada Vaswani had enlightened billions of people & will continue to guide all of us on the noble path.

Words fall short when we sing his praise...

The Songbird sings... we hear no more...

But the heart knows... to its music, it resonates evermore...

The floweret blossoms... we see no more...

But the heart knows... its fragrance permeates forevermore...

You too live to tell the tale of his Humility, O Death...

Entwined in his loving hands you walked away with his physical,

But remember, in our hearts is enshrined his form mystical

Revelling are you too in his music celestial,

But remember, in our ears echoes his symphony perennial.

Shining too are you in his bright, guileless smile,

Yet, remember, it continues to encourage us at every mile.

All to you is his form, is his very breath,

Yet, remember, he throbs and pulsates within us,

O Death! True it is, that he lives on for today and lifetimes to come...

Rev. Siddh Bhauji while expressing his deep sorrow said that God calls back the noble souls who lead purposeful lives as promised to Him. He who believes in Him shall never die and with Him shall walk everlastingly. Like Paramhans Sant Hirdaram Sahibji, pious souls of Saints, despite not being with us in physical form, always are among us spiritually and inspiring us on the path of 'Sewa and Sumiran' (Service and Devotion).

A condolence prayer was observed by volunteers & staff members of JSS & its associate organizations in the pious presence of Rev. Siddh Bhauji. All of them prayed to the Almighty to keep the Pious Soul under His Holy refuge.

TRUE 'HUMBLENESS'

Many years ago, when I worked as a transfusion volunteer at a Hospital, I got to know a little three year old girl who was suffering from a disease. The little girl needed blood for her five-year-old brother, who had miraculously survived the same disease. The boy had developed the antibodies needed to combat the illness and was the only hope for his sister.

The doctor explained the situation to the little brother, and asked if the boy would be willing to give his blood to his sister. I saw him hesitate only for a moment before he took a deep breath and said "Yes, I will do it if it will save my sister."

As the transfusion progressed, he lay in bed next to his sister and smiled, seeing the colour returning to her cheeks. Then his face grew pale and his smile faded. He looked up at the nurse beside him and asked with a trembling voice, "When will I start to die?"

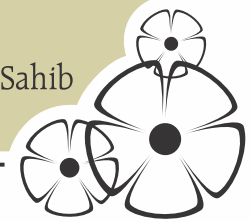

The young boy had misunderstood the doctor and thought he had to die to save his sick sister.
